### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: cancel non-elected claims 14-21, & 35-47, drawn to nonelected non-animal inventions.

### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record fails to suggest the composition as now limited to Jojoba oil combined non-polar unsaponifiables with polar salts, both fractions derived from jojoba oil. The references of record do use jojoba oil, but not the recombined fractions of the saponified jojoba oil, & failed to suggest possible advantages for skin application compositions incorporating the combined jojoba oil derived fractions, shown by applicant to provide unexpected superior benefits to skin.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
